

Ryzom - Bug # 1447

Status:	Closed	Priority:	Urgent
Author:	kervalva	Category:	OS: Mac
Created:	03/09/2012	Assignee:	kervalva
Updated:	03/31/2012	Due date:	
Subject:	PCH don't work anymore on Mac OS X		
Description	<p>PCH don't work anymore on Mac OS X since they replaced GCC by CLang and PCHSupport only detect VC++, NMake, GCC and Xcode.</p> <p>But that's not really a problem since CLang is using the same flags as GCC.</p>
