

Ryzom - Bug # 1448

Status:	Closed	Priority:	Normal
Author:	kervala	Category:	Build
Created:	03/09/2012	Assignee:	kervala
Updated:	05/11/2012	Due date:	
Subject:	Compilation with CLang		
Description			
<p>Now that CLang is used by default on Mac OS X 10.7, we should find and fix all compilation errors.</p> <p>It can be tested under Linux where CLang is provided for almost all distributions.</p>

Applied in changeset commit:9e3d3de5b35c.

#3 - 04/07/2012 03:21 pm - kervala

All (NeL, tools, samples and servers) are compiling with Clang under Mac OS X 4.3.2. I didn't enable Qt at this time, I will check later.

Now, I'm trying to fix a maximum of warnings.
